

2010 COOMBE FARM PINOT NOIR

Pinot Noir is a variety that is ideally suited to the Yarra Valley and Coombe Farm grows a selection of the most premium and sought after clones. Each year we select the best performing clones for the vintage and 2010 is a 40:60 blend of clones 777 and MV6. 777 adds 'prettiness' and aromatic lift and MV6 the palate 'power'.

The wine has fresh, ripe red fruit characters, a touch of spice, a deliciously supple texture and a soft yet structural savoury finish.

Alcohol 12.9%;
Acidity 6.6g/L & pH 3.55;
Residual sugar less than 1g/L.
