

2010 COOMBE FARM PINOT GRIS

Pinot Gris or Pinot Grigio is a white grape variety of European origin and Coombe Farm is one of only a few producers in the Yarra Valley. The 2010 Coombe Farm Pinot Gris was entirely fermented in stainless steel to capture the delicate and fresh tropical fruit characters that are typical of the variety.

This is a dry white table wine with soft tropical fruit, rose petal and spicy aromas and a deliciously fresh and crunchy palate & savoury finish. This wine is an ideal food accompaniment.

Alcohol 12.3%;
Acidity approximately 6.2g/L & pH 3.1;
Residual Sugar 2.9g/L.
